

3 Phase Voltage Optimisers

The simple fit and forget energy saving solution to reduce your electrical consumption and your carbon footprint.

- Reduces electricity consumption by up to 14%*
- Reduces your carbon footprint immediately
- Excellent return on investment, typically 3-5 years
- Protects your appliances from over voltage
- Non invasive, fit and forget solution
- Protects and enhances performance on all subsequent energy efficiency measures including heat pumps, infra red heating, LED lighting and Solar PV.

Ideal for:

- Convenience Stores
- Garage Forecourts
- Pubs, Hotels & Restaurants
- Retail
- Offices
- Care Homes
- Dentists
- Vets
- GP's Surgeries
- Gyms
- Spas
- Hairdressers
- Laundrettes
